Please detail on your invoice the journey start and finish. No travel expense is paid for travel from home to Company's premises to pick up Company transport or where the client will not pay travel.

6. Tax

The Contractor hereby covenants with the Company that the Contractor shall be responsible for all income tax, statutory liabilities, national insurance contributions, VAT or similar liabilities, any similar contributions properly due to be remitted by the Contractor whether they or their equivalent arise in or outside the United Kingdom in respect of fees payable to the Contractor

under this agreement and that the Contractor shall be responsible for informing all relevant statutory authorities as may be applicable of their whereabouts when and if it is required to do so and shall wholly indemnify the Company in respect of any claims that may be made against the Company by any such relevant statutory authorities relating to the Services under this Agreement and the Contractor agrees to apply for and obtain all necessary permissions, consents, waivers or other documents required relating to the services provided under this Agreement whether in the United Kingdom or elsewhere.

7. Indemnity

The Company relies upon the Contractor's skill, expertise and experience and also upon the accuracy of all representations or statements made and the advice given by the Contractor in connection with the provision of the Services. The Contractor hereby agrees to indemnify the Company against all loss, damage, costs, legal costs and professional and other expenses of any nature whatsoever incurred or suffered by the Company whether direct or consequential as a result of such reliance.

8. Health and Safety Requirements

8.1. The Contractor agrees to comply with any health and safety requirements of the Company while providing services on the Company's premises.

8.2. The Contractor agrees to comply with any health and safety requirements of the Client while providing services on the Client's premises.

8.3. The Contractor agrees to take all reasonable steps to ensure the safety of themselves and any other person on the Company's or the Client's premises. All hazards identified by the Contractor must be reported to the Company so that appropriate action may be taken.

8.4. All accidents and/or injuries which occur arising out of or during the course of the contract (no matter how minor) must be reported to the Company in writing as soon as is practicable after the accident occurs.

8.5. Plant & Equipment
